REFINED CHARM

Carriage House LP, 9' x 8', Moka Brown, Clear windows

North Hatley® REFINED CHARM

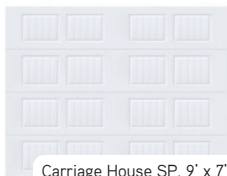

The North Hatley reflects one of the latest trends in architecture. A perfect blend of the classic charm and traditional elegance of carriage-house doors, it comes with the superior Garaga durability and high-energy efficiency.

With the added charm of forged iron hardware and a vast array of decorative window styles, this door will add prestige and value to any home.

DISCOVER THE GARAGA DIFFERENCE

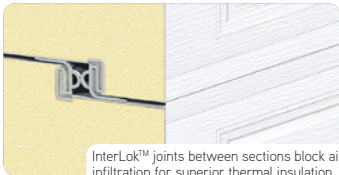

The Garaga difference lies in the meticulous attention to even the smallest detail. From design to final construction, every detail is thoroughly thought out. Be it materials, finishes, construction, style, air tightness, durability, rollers, hinges and much more, nothing is left to chance.

At Garaga, every door is custom built to suit each client's individual needs and specific requirements.

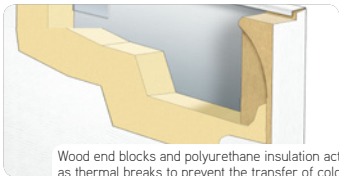

THERMALLY EFFICIENT

Built to withstand the extreme rigours of the Canadian climate, we've integrated the most energy efficient components to protect you from the wind and the cold during winter, and keep you cool during summer.

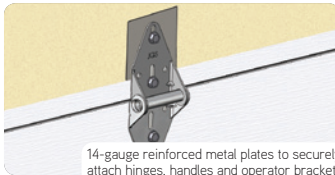

InterLok™ joints between sections block air infiltration for superior thermal insulation

Wood end blocks and polyurethane insulation act as thermal breaks to prevent the transfer of cold

RUGGED AND DURABLE

Intelligent and functional design solutions coupled with superior quality materials and a certified installation network make your Garaga door system a solid investment for years to come.

14-gauge reinforced metal plates to securely attach hinges, handles and operator bracket

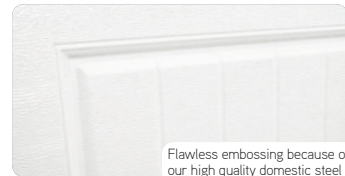

Dura+™ hardware system for commercial-quality durability

REFINED DESIGN

Developed by a team of specialized designers, every one of our models is detail-oriented, reflecting an authentic and specific style designed to match your home's distinct architecture, up close and at a distance.

Seamlessly molded window frames maintain their attractive appearance

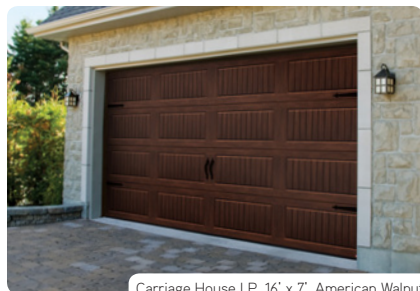

Flawless embossing because of our high quality domestic steel
