

SDL SERIES

Loading Dock Light with **Adjustable Arm**

Dock Light with Adjustable Arm

Description

The SDL series loading dock lights from Tri Lite combine the strength of a standard dock light arm with the added flexibility of a dual-axis hinge to create a versatile and durable product. It can withstand most blows from a fork lift or dock doors.

Protect your investment by utilizing the Tri Lite SDL series dock light in 40" or 60" arm lengths.

Lamp head options include your choice of cool durable polycarbonate, metal or energy efficient high pressure sodium.
